

Are you too Busy to Review your Telecom Expenses??? - We can Help!

Combining technical experience and dogged determination we've saved our clients THOUSANDS of dollars & TONS of frustration.

The following case study illustrates actual savings negotiated for an executive client and his partner. Why not pencil in your own monthly spending and see if you find the numbers as shocking as our clients did!

			Client: Urban Couple <i>Note: For diplomatic and professional reasons we do not disclose the names of those in in our 'Private Client Group'.</i>
Device/Plan:	Bills Were	Bills Became	What We Did:
Cell phone 1	\$350.00	\$140.00	these busy 'on the go' executives were paying TOO MUCH for this combined cell phone & Internet Data Plan - we negotiated a better package with his service provider
Cell phone 2	\$75.00	\$55.00	Replaced secondary cell phone with a better handset and dataplan
home phone (used to have two!)	\$95.00	\$29.95	removed phone package at cottage, reduced services at home and determined to use unlimited evenings and weekends at the cottage
Long Distance	\$62.00	\$20.00	review of call history determined they were best to move to a newer 'unlimited' plan
Internet (used to have at two locations)	\$110.00	\$34.95	removed internet from cottage so they will use the email and internet with their smartphones on the weekend now
TV (used to have at two locations)	\$109.00	\$49.95	Got rid of the second TV package at the cottage based on actual usage
Monthly Total Before:	\$801.00		
Monthly Total After:		\$329.85	
Monthly Savings:			\$471.15
Annual Savings:			\$5,653.80

If you're concerned that your monthly spending is too high, give us a call. We only get paid if we save you money... What have you got to lose?
